

# The String Thing®

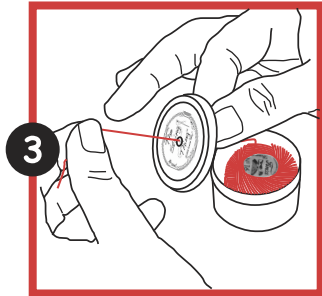

## Perle Cotton Tin Instructions (TST-101)

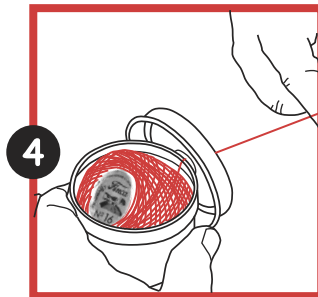

1 Remove tin top. Place ball inside The String Thing®. Write color number on top of label with an erasable marker. Write brand name (i.e. Presencia).

2 Bring the end of the embroidery floss through the hole in the tin top.

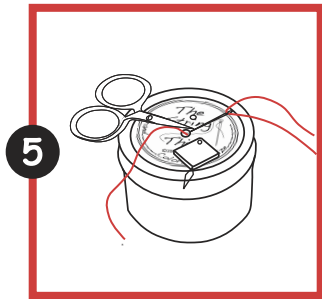

3 XXXXXX.....

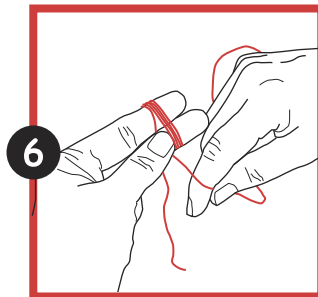

4 XXXXXX.....

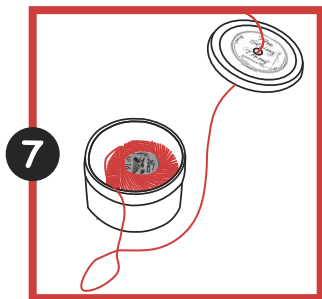

Close lid on tin.

5 The magnet is strong enough to hold your needle, needle threader and embroidery scissors. You are now ready to begin embroidering, saving time and floss.

6 If the remaining floss gets tangled, remove it from the tin and wind it around two fingers.

7 Drop the wound floss into the tin. Bring the end of the floss through the hole in the tin top. Continue embroidering.
